

# PRODUCT OVERVIEW

## CONTINGENT LIABILITY INSURANCE

We have now added **Contingent Liability Insurance** to the growing suite of Amiga's Transactional Risks suite of products.

Initial focus will initially be on smaller lines and excess opportunities across various sectors and areas, including litigation, employment matters, environmental, capital risks, real estate, intellectual property and other standalone complex risks.

At present we are primarily covering UK and Europe, with further expansion in due course.

### Jurisdictions:

UK and EEA

### Areas Covered:

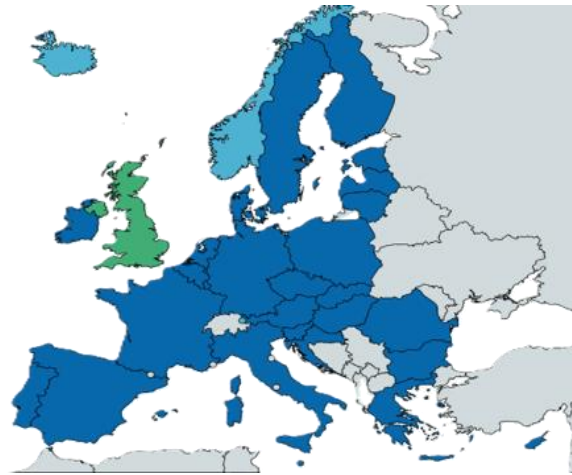

Many areas including litigation, employment matters, environmental capital risks, real estate, intellectual property and other standalone complex risks.

### Target Risks:

Smaller lines and excess of loss opportunities across most sectors.

### Max Limit:

£5 million

### Underwriter Partner:

Accelerant, rated A- (Excellent) by AM Best

**ACCELERANT**
